

# Learning Methods for the New World of Work

**atd** SOUTHERN CONNECTICUT  
CHAPTER  
Association for  
Talent Development

**Learning in the New World of Work**  
September 21 and 22, 2020

# Overview

## This panel discussion will provide the perspectives that will:

- Help you decide what methodologies and approaches will need to change
- How will learning be part of creating organizational community and culture in a dispersed workforce
- What possible frameworks might you use to decide what will work best for your clients or company

## Session Learning Objectives:

- You will have clear ideas about what has/has not changed for learning and L&D in the new work environment
- Identify specific learning approaches organizations have been or might take to adapt to the new way of learning in this new world
